Digi International Inc.

9350 Excelsior Blvd., Suite 700, Hopkins, MN 55343 USA

For all products placed on the EU market:

Declaration Details	
Declaration Type	Corporate Packaging Compliance Declaration
Regulation	Regulation (EU) 2025/40 (Packaging and Packaging Waste Regulation - PPWR)
Scope	All packaging for EU-market products (primary, secondary, and tertiary)
Issue Date	August 11 th , 2026

Digi International Inc. declares under its own responsibility that the packaging used for products placed on the EU market is managed to comply with the applicable requirements of Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR), as applicable from the dates specified therein.

This declaration is based on supplier declarations, material specifications, packaging bills of materials, and internal technical documentation maintained by Digi International. Supporting evidence covers primary, secondary, and tertiary packaging and is held in Digi's internal PPWR compliance repository.

Packaging Scope and Compliance Basis	
Primary Packaging	Unit-level product packaging shipped with each Digi product
Secondary Packaging	Master cartons and shelf-ready packaging used in distribution
Tertiary Packaging	Pallets, stretch wrap, and outer shipper configurations
Compliance Basis	Supplier declarations, material data sheets, and packaging BOMs
Supporting Evidence	Maintained in Digi's internal PPWR compliance repository

Note: Harmonised standards under Regulation (EU) 2025/40 are still being developed. Digi's compliance program will be updated as applicable standards are adopted. Technical documentation is available upon written request to environmental.compliance@digicom.com.
